

MICHAUX MANOR

A Personal Care Community

Make a Difference in Someone's Life - Become a Volunteer!

No matter your age or background, we all need to forge a special bond with someone who will listen, learn, and benefit from the things we've accomplished in our lifetimes.

If the happiness and well-being of others matters to you, and you are 16 years or older, we'd love to talk to you!

If you are a student, this program may help to fulfill community service requirements and / or provide you with other important educational acknowledgements from your school.

All it takes is sharing a cup of coffee, a conversation, a good read, an afternoon lunch, or a hug. To start enriching your life and the life of one of our residents, please **print, complete, and mail** this form to the address below.
